Veterinary Herbal Training

Terms and conditions for VHT Courses

These must be read and agreed

All delegates must be registered MRCVS or RVNs. (or equivalent if outside the UK)

The fee includes twenty-four hours of CPD; a set of course notes; any herbal supplies needed for practical sessions; first year membership to BAVH (British Association of Veterinary Herbalists), support and further information.

There will be a practical session to this course which you will be able to do remotely where herbal preparations will be tasted and handled. These contain different herbs and varying concentrations of alcohol. As with any medicine and/or plant there is a small risk of allergic reactions. If this is a concern to you, please contact us to discuss things further. Herbs will be posted to the address you put on the booking form in advance of the course commencing.

If registration numbers are not sufficient for the course to run, delegates will be informed within two weeks of the date of the start of the course and fees will be returned in full. VHT can accept no responsibility for any other costs incurred.

The fee is non-refundable, but in the case of sickness or inability to attend any part of the course, transfers may be made to another course for that part missed. A fee to cover "delegate rates" i.e. that charged by the venue for catering etc, may be charged.
